2X National Champ
Head Coach Lindenwood

This world class team technique/ competition camp is designed for the wrestler looking to out-train his competition during the off season, and ensure himself a spot on the awards stand next season. This camp will blend technique training sessions with world class competitors/ coaches, with 3-4 live matches per day in our team dual competition format. Wrestlers from age 9 and up will realize the benefits of this camp, which will focus on the development of elementary, junior high, and high schools wrestlers. The goal of this camp is to teach new and reinforce old, high percentage wrestling techniques, while gaining almost a half of a season worth of live match experience.

Teams with more than 10 wrestlers will receive a reduced camper rate: \$260 for resident, \$160 for commuter. All team discounted entries must be received in one envelope.

NOTE: A wrestler does not have to attend with a team. Those who attend as individuals will be assigned to a team for dual matches. The rate for these wrestlers is \$285 for resident and \$185 for commuter.

World Class treatment for residents w/ accommodations @ Springhill Suites by Marriott

*****Most affordable camp of its kind*****
